

Privacy Policy

Effective Date: March 20, 2025

Our Privacy Policy explains how we collect, use, and protect your information when you use Cognify.

Information We Collect

We collect the following types of data to help monitor cognitive function:

- **Personal Information:** Name, age, and other optional details you provide
- **Gameplay Data:** Responses, accuracy, and reaction times from the cognitive game
- **Device Information:** Non-identifiable technical data like operating system and screen size

We do not collect biometric data, sensitive personal information, or share data with third parties for advertising purposes.

How We Use Your Information

We use the collected data to:

- Track your cognitive performance over time
- Provide insights to physicians into cognitive trends
- Improve our app's functionality and accuracy

Data Storage & Security

We take appropriate security measures to protect your data from unauthorized access and ensure its safely stored.

Third-Party Services

We may use third-party services for analytics, but they do not have access to personally identifiable information.

Your Rights

You can:

- Request access to your data
- Request deletion of your data
- Withdraw consent for data collection

To exercise these rights, contact us at patientsupport@cognify.ca.

Changes to This Policy

We may update this Privacy Policy from time to time. Any significant changes will be communicated through the app and email.
